XT8011 HOLE DRILL

Drill perfect holes in suitable cosplay material using one of three interchangeable quick-change drill tips included. Choose 1/4", 1/2", or 3/4" (7mm, 12.7mm, 19mm diameters). The Hole Drill works with 3/16" (5mm) suitable material.

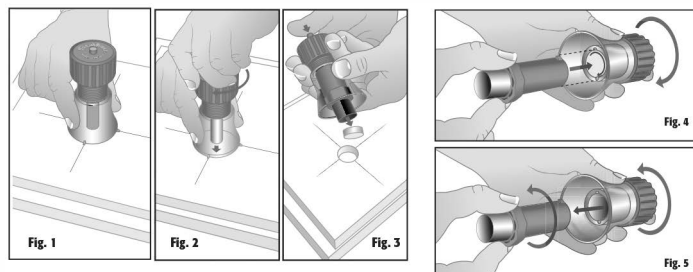

Always use scrap underlayment (such as foamboard) when cutting.
To change drills, twist to release
